(PLEASE SAVE THIS DATE)

Delta Bay Church of Christ hosts a 9 a.m. to 5:00 p.m.

Women's Wholeness Conference

“What a Difference a Day Makes,”*A Mind, Body & Soul Experience*

It is a set of experiential modules and workshops designed to leave mature women with a lift and a song in their hearts and **young women** with some life lessons they didn't have to live first. Knowledge is power and getting that knowledge gives all women an edge. It is our hope that with God as our guide, a special treatment will be there **for those who learn nothing, except by doing it the hard way.** Let this be your new day!

During registration, there will be an early bird Acappella Music review and CD sale. A photographer will be available to take before and after shots. (“You don't want to miss the Red Carpet treatment celebrating your journey.”) During the lunch break, meet a hall full of bay area vendors of mind, body and spirit products and services while you munch on a light snack of finger foods and sample new waters.
